

The City of Creedmoor is requesting qualifications statements from qualified MEP engineering firms for the preparation of plans, specifications, and bidding documents for electrical, and plumbing improvements for the Creedmoor Maintenance Workshop. Selections will be based on qualifications and a fee will be negotiated prior to formal award of the project. The Scope of Work will include a site visit to determine the extent of the needed improvements, priority of installation and estimated costs. Qualification statements should be submitted by October 17, 2023 2pm. All questions should be submitted to Mr. Claude Pogue, Maintenance Supervisor, at cpogue@cityofcreedmoortx.gov by October 12, 2023. MBE/WBE firms are encouraged to submit their qualification statement.
